¹ This EOI template is applicable for ADB-TA, and serves as a strongly recommended guide for Executing Agencies (EAs) for loan projects. For Consultants Qualification Selection (CQS) and Indefinite Delivery Contracts (IDCs), where selection and pre-qualification respectively are based on an evaluation of an EOI, the template may be amplified to reflect any requirement for additional information.

² EOIs may be submitted by a firm, subconsultancy, or a joint venture. For short-listing purposes, the combined experience of a subconsultancy or a joint venture will be evaluated although the qualifications of the lead firm will be given a greater weight. Whereas the entity, association, or joint venture is free to submit additional information, in hard or soft copy, short-listing will be based primarily on information included in this EOI template.

³ CMS registration is not mandatory for the associated firms.

⁴ Unless otherwise specified, an international entity, associate or partner can only be nominated in one EOI. A national entity as an associate or partner can be nominated in more than one EOI. To avoid confusion and possible elimination after short-listing, lead entities of associations or joint ventures are strongly advised to confirm relationships (exclusive or non-exclusive) with selected associates or partners prior to expressing interest.
